

WHAT'S THE COLOUR OF YOUR TOURING SPIRIT?

If you are wild and free. Adventurous and a thrill-seeker, then the Midnight Black Fazer is the one for you. If you love being lost in the shifting sands and get caught in the changing winds, then just head out in your new Fazer. Answer the call of the mysterious deserts with a new colour code.

If the only way is up for you then the mountains are what you would love to conquer. Choose the Lava Red Fazer and discover new peaks, new roads and majestic landscapes. The mountains are calling. Mount your new Fazer and leave the mad world behind and see what the imposing mountains have to offer.

If green catches your eye and a ride in the woods lifts your spirits, then your touring spirit has a new colour code - Black Cyber Green. Co-exist with nature and quench your thirst for finding heaven on earth. Head out in your new Fazer and lose yourself amidst the ambience of rambling rivers, whispering woods and captivating greenery.
